

FOOD FOR THOUGHT

AN EVENING OF SOCIALLY RELEVANT CINEMA

FEBRUARY 21, 2013

Developed, financed and executive produced by Participant Media, the company responsible for AN INCONVENIENT TRUTH, FOOD, INC. and WAITING FOR "SUPERMAN", LAST CALL AT THE OASIS presents a powerful argument for why the global water crisis will be the central issue facing our world this century.

Illuminating the vital role water plays in our lives, exposing the defects in the current system and depicting communities already struggling with its ill-effects, the film features activist Erin Brockovich and such distinguished experts as Peter Gleick, Alex Prud'homme, Jay Famiglietti and Robert Glennon.

Presented on the third Thursday of each month with food samples generously provided by the Honest Weight Food Co-op Food for Thought events feature food at 6:00 and film at 7:00, plus a panel discussion following the film and live music with Jack Empie and guests
