

# TREE PLANTING

## VOLUNTEERS NEEDED

**Saturday, May 14<sup>th</sup>**  
**9am to 1pm**

**55 Sunrise Park Rd**  
**New Hampton, NY**

Follow the signs for parking!

**BBQ lunch**  
**provided to all**  
**volunteers!**

Streamside plantings provide many important environmental benefits, including **water filtration**, **erosion prevention**, and providing **vital nutrients** to **stream ecosystems**. Orange County Soil and Water Conservation District is teaming up with the Hudson River Estuary Trees for Tribs program to plant 250 trees and shrubs next to **Monhagen Brook** this spring. Holes will be pre-dug and trees will be small, so families with children are encouraged to participate. Come prepared for the weather!

**Rain or shine. For more information,**
