

**SPECIAL
ENGAGEMENT**

The  ssining
Documentary & Discussion Series

FREE!

A special screening of three **new** short films exploring pipeline projects, proposed anchorages, and PCB contamination –three major threats to our Hudson River. Join Riverkeeper for a screening and discussion of threats to our mighty river and how to stop them.

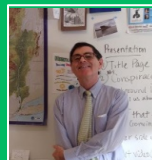

Post-Screening Q&A with :

Zephyr Teachout
Academic & Activist
Fordham University

John Lipscomb
Vice President of Advocacy
Hudson Riverkeeper

Artie Carlucci
Educator
Ossining High School

Robert Friedman
Environmental Justice Campaigner
