

## COASTAL PRESERVATION NETWORK

Calling all Volunteers!!! Please join us to  
**Clean Powell's Cove Park**  
on Sunday, Oct. 22, from 9 am – Noon.

We will:

- Remove trash from the East River coast
- Rake & bag leaves
- Plant 1,000+ daffodil bulbs!

Wear old shoes: the coast is mucky and you'll get messy.  
Gloves and bags will be provided. Meet at the 133<sup>rd</sup> Place and 11th Avenue entrance (park stretches from College Point to Whitestone).

**Great activity for youth/school groups.** Community service certificates are available. Volunteers of all ages welcome.
